

Registration for participation: Optional Section biol602/biol603

First, visit introductory meetings and inform yourself about the contents of modules (see timetable).

Registration: As a MAMBE-student you can choose up to 3 modules out of the optional section biol602/603:

Registration period: The registration period begins April 5th at 4pm and ends April 6th at 10am. You have to register using the LSF system. LSF/QIS is an online portal for course and examination registration: <https://qis.zentr-verw.uni-kiel.de/uki/>

Final Registration: On Friday at 8am you can see online in the LSF system if your registration was successful. If not, you can participate in the second round.

Introductory meetings: All Introductory meetings in Room 0134
