## 1. Round of Registration for biol602/biol603/biol605

As a MAMBE-student you can choose up to 3 modules out of the optional section biol602/603/605.

Registration period: **Start October 20<sup>th</sup> at 2 pm, End October 21<sup>th</sup> at 10 am.** You have to register using the LSF system.

Results of registration: Thursday, October 21<sup>th</sup> at 6 pm

If the number of applications exceeds the number of places offered, places will be raffled by LSF. If you do not get enough places or too many places in the first round of registration, you can take part in the second round. In the second round you can register for all remaining places in the various courses or give back surplus places.

## 2. Round of Registration for biol602/biol603/biol605

If you do not get enough places or too many places, you can take part in the second round. You can now register for all remaining places in the various courses or give back surplus places. This second round follows "first come, first serve". You will immediately see if your registration was successful.

**Second round starts Friday, 22.10.2021 at 9 am and ends 8 pm.**

Please note that registrations are binding. You are thus obliged to participate in the courses, for which you are registered!  
 If you do not participate in a registered course this year, your registration for a course next year will be put on the back burner.
